Vinita Rotary Foundation

The Vinita Rotary Foundation provides charitable contributions in and around Vinita, Okla. For the 2013-14 fiscal year, our Foundation provided more than \$20,000 in like contributions to help support the following organizations:

- Salvation Army Backpack Program — The local program provides take-home meals for elementary school students who may not have food at home.
- American Red Cross — Hero's campaign
- Vinita Public Schools Drama Department — Stage Curtain
- Education Abroad Assistance — Provided to students who request assistance, as part of their post-secondary education, to study in a foreign country.
- Etc.

The Vinita Rotary Foundation Scholarship Program is designed to reward those students who have worked hard and are well-rounded, productive citizens at home, work and school.

The members of the Rotary Club of Vinita select 14 high school students from applications received from the senior class at Vinita High School.

These students present themselves, their school and their future goals to the club at four weekly meetings, which allows them to know more about the club, its membership and its mission. At the same time, it provides them the experience of giving public presentations, knowledge of the business community and the charitable attributes of the local Rotary Club, as

One of our goals is to provide scholarships at levels that would fund a complete post-secondary education for deserving students in our community. This is why we are looking for sponsors to help us with this fundraising function.

well as the International Rotary Club.

Of those students, the Club selects scholarship recipients for the four following scholarship levels:

- \$4,000 (\$1,000 renewable with requirements)
- \$1,000 (one-time with requirements)
- \$1,000 (one-time with requirements)
- \$500 (one-time with requirements)

This is a total \$6,500 in scholarships per year, including the renewable ones.

In addition, we have added a scholarship for a vocational/technical education for the 2014-15 scholastic year, which has the same requirements as above but with the addition requirement of attending a Vo-Tech school.

The Vinita Rotary Foundation (VRF) is a tax-exempt entity under second 501c(3) of the Internal Revenue Cod and is governed under the leadership of the Vinita Rotary Club, of Vinita, Okla.
